Atrium Illumination

Work continues as we prepare our space and materials for the L2 atrium. There are many projects that we still need help with. If you are interested in contributing your talents towards works that children will enjoy for many years to come, please know that we would very much appreciate your help. Patterns and detailed instructions are available for each project. We need wood workers, painters, and paper crafters.

As well, we still need donations of furniture, Catholic supplies, office supplies, and more. (See the bulletin board for a more detailed list.) Gift cards to Amazon, Michaels and Hobby Lobby would also be appreciated.

Atrium L1 and L2 registration will open in mid to late August.

Would you like to join the Well-Read Mom Book Club?

Well-Read Mom began to create a place for women not to escape from family life and work but to experience a kind of leisure through friendship and literature so that women could return to their lives with a renewed vision and vigor. By reading books together, we help sustain a tradition of reading, which is a gift to our families and the world.

Each year Well-Read Mom selects a theme that guides the booklist for the year. This year is "The Year of the Teacher", below are three books from the booklist. To receive the rest of the list and resources you will need to become a Well-Read Mom member and join the book club. Please contact Elizabeth Roman 310-595-0716 if you wish to join. Meetings begin in Sept.

Interested in becoming a Cantor for SJV?

We're looking for more voices to help lead our parish in song!
New cantors shadow an experienced cantor, and then are shadowed themselves for several Masses to ensure you get the support you need!

Time commitment: Most cantors sing once or twice a month. Preparation time varies depending on experience, but is usually around a couple of hours.

Required skills: Ability to learn hymns and liturgical music independently or with minimal support and openness to learning chant notation and singing Latin
